### CLINIC INFORMATION JULY 20 - 21, 2017

SREC is proud to host Erik Duvander as he offers clinics for the first time in the United States. This is a wonderful opportunity to learn from an expert coach who led the New Zealand Equestrian team and others to many victories.

To provide each participant with the best instruction possible, individuals will be divided into groups by performance level and riding experience, then given special attention from Erik Duvander. Thursday will focus on stadium jumping and Friday will cover cross country performance.

Camp will be held at Sandy River Equestrian Center in Axton, Virginia. Dinner with a question and answer session on Thursday night is included. Hotels, located in Danville, are a mere 20 minute drive from the farm.
